

STATEMENT FROM FLINDERS POWER RE AUGUSTA POWER STATIONS' OPEN DAY

31 July 2017

Community Open Day Declared 'Huge Success'

- Around 150 people attended Sunday's Community Open Day, involving a project update followed by bus tours of the site.
- The event was hosted by senior representatives of Flinders Power and McMahon Services Australia, with support from the EPA, the independent chair of the community reference group and consulting firm communicate. Attendees were able to meet with project representatives and be shown, first hand, progress at the site, including demolition works and rehabilitation of the Ash Storage Area.
- Flinders Power welcomed a number of former and current site workers and their families to the site.
- Flinders Power would like to thank the community for their outstanding support at the Open Day and the Port Augusta Lions Club for providing catering.
